O R D E R

On July 8, 1998, East Pendleton Water District ("East Pendleton") applied to the Public Service Commission ("Commission") for authority to revise the following non-recurring charges:

<u>Non-Recurring Charges</u>	<u>Current</u>	<u>Proposed</u>
Meter Connection	\$374.00	\$747.91
Customer Meter Deposit	30.00	50.00
Meter Testing Charge	27.00	27.50
Returned Check Charge	10.00	15.00
Service Re-Connection	18.00	22.50
Service Re-Connection After Hours	24.00	29.50

East Pendleton provided adequate cost justification for the non-recurring charges proposed in the application. Increased cost of materials and labor was the basis for the increase.

After reviewing the evidence of record and being otherwise sufficiently advised, the Commission finds that:

1. The proposed charges are equal to the expenses incurred to provide the associated services.

2. The charges set forth in Appendix A of this Order, attached hereto and incorporated herein, are fair, just, and reasonable and should be approved.

IT IS THEREFORE ORDERED that:

1. The charges in Appendix A are approved for services rendered on and after the date of this Order.

2. Within 30 days of the date of this order, East Pendleton shall file its revised tariff sheet setting out the charges approved in this Order.

Done at Frankfort, Kentucky, this 11th day of September, 1998.
